

Scottish Government Graduate Recruitment 2023

Investing in
your potential

Are you looking for a graduate scheme that gives you the confidence, skills and experience to meet your full potential?

The Scottish Government Graduate Development Programme offers:

An accelerated, career pathway into a leadership role in the civil service, working on high-profile projects, at the heart of government.

The chance to deliver work with real meaning and value for the people of Scotland, in a fully-supported and inclusive environment.
